

Cookie Preferences

XP

Last updated November 5, 2025

XP uses cookies and similar technologies to enhance your browsing experience, analyze website traffic, and support marketing activities, including personalized advertising.

Under the **California Consumer Privacy Act (CCPA)** and **California Privacy Rights Act (CPRA)**, California residents have the right to:

- Know what categories of personal information are collected and for what purpose
- Opt out of the sale or sharing of personal information, including for targeted advertising
- Limit the use of sensitive personal information
- Request deletion or correction of personal data

We are working to implement additional tools to allow users to manage cookie preferences directly on this site. In the meantime:

- To **opt out** of the sale or sharing of personal information, email us at privacy@xp.tickets with the subject line: Privacy Opt-Out Request
- You may also manage cookies through your browser settings.

To automatically apply opt-out preferences on this browser in the future, you can enable **Global Privacy Control (GPC)** in your browser settings. We recognize GPC signals where technically feasible.
